## **TERMS & CONDITIONS**

\* By signing and completing this form you are hereby authorizing Maki Heating & Air Conditioning to draft the monthly investment either out of your checking account noted or out of your debit/credit card. You are also agreeing that you fully understand that the monthly fee(s) will continue until a written notice of termination is received by us from you. Customer must continue membership without lapse or cancellation to receive warranties. If lapse or cancellation occurs, warranties are discontinued and may not be reactivated. If the membership is terminated prior to the 1 year cycled, any visits already performed under the club membership will be due (if monthly fees have not covered it). Discounts received will be reversed and may be due upon termination. Allow up to 2 weeks for termination processing.

You are entitled to two visits per year for heating and air maintenance. Maki Heating & Air Conditioning will provide notification prior to the visit month to schedule the Club visits. However, it is the responsibility of you, the client to return any missed calls or emails to ensure your maintenance or inspection is scheduled. The maintenance included with your club membership is intended to maintain efficient operation of heating and air conditioning. The maintenance excludes any repairs, recharging of refrigerant, or major cleaning needed that may be discovered by the technician. The cost to perform repairs and/or cleaning, as well as the cost of parts and labor recommended by the technician that may be needed to be replaced, would be an additional charge. No work that involves an additional fee will be performed without client consent.

In order to be eligible for the USA Plans, you must present a valid form of identification for one of the professions: Active Military or US Veteran.  
ID Number \_\_\_\_\_

Your Club Membership and savings are transferable if needed to either the buyer of your current home or to your new home in our service area.

This Club Agreement only extends coverage and maintenance to the listed equipment. Any additional equipment will need to have its own separate club membership form.
